

2025 ANNUAL REPORT

A MESSAGE FROM
Executive Director, Jaleen Claassen

From its earliest beginnings, The Treehouse was formed in response to a simple yet profound call of Scripture: to see a need and open our hearts. Through your generosity, a mother walking through uncertainty is met with compassion instead of isolation, and practical help is offered with dignity and care.

At The Treehouse, support goes far beyond diapers or formula. Through the presence of caring staff and dedicated volunteers, mothers are welcomed into a space for healing, learning, and connection during the earliest and most tender years of a child's life. Because of you, women are not only supported in moments of vulnerability, but encouraged as they grow in strength, confidence, and hope.

To our donors - thank you for answering the call! Every number on the following page represents love in action and lives transformed. **YOUR SUPPORT MATTERS!**

The Treehouse would love to reconnect with you! Please contact Jaleen if you are interested in a Treehouse tour or would like a Treehouse representative to speak on behalf of our moms and babies. Call 316-686-2600 or email jaleen@wichitatreehouse.org.
